

Changes to the BioTrust Consent Form and Brochure!

Please ensure staff is aware of the updated material and changes in how consent decisions are collected. Thank you!

Revised BioTrust Consent Form located on the back of the Newborn Screening Card. As of August 2013, you will begin to see these consent forms in circulation.

Instructions for Use

- Provide BioTrust consent brochure.
- Ask parent to mark their decision.
 - ☒ Mark the “yes” check box for consent.
 - ☒ Mark the “no” check box for decline.
- Collect parent signature.
- Return white copy to state lab.
- Give parent pink copy.

**** We need a box checked and a signature both for “yes” and “no” decisions.****

Revised BioTrust Consent Brochure: This brochure will either be sent with all Newborn Screening Cards or upon separate order based on hospital preference. Once your current inventory of BioTrust booklets is used, new orders will be filled with this brochure which replaces the original BioTrust consent *booklet*.

Instructions for Use

- Provide BioTrust consent brochure to each parent.
- Ask parent to read.
- Collect parent consent decision on BioTrust consent form.
- Answer any questions or direct them to the BioTrust Coordinator.

**** Please read the revised brochure before distributing to parents****

**** Please contact the BioTrust Coordinator for questions****
